

Staff Senate Biography

Name: Louie Schneider

Job title: Business Manager IV

School or Division: School of Medicine,
Department of Internal Medicine

Tenure at LSUHSC: 6 years

What do you hope the Staff Senate accomplishes, and why are you a Senator?

I'm hopeful that the Staff Senate will be successful in providing transparency to LSUHSC employees while also giving staff a voice in important matters as the System grows. As a proponent of meaningful change, I'm excited to be selected in representing our human talent.

Why do you enjoy working at LSUHSC?

I have the incredible opportunity to work with some of the smartest and motivated folks in the HSC. Taking their ideas and goals and being able to put them into reality is very rewarding. No two days are alike, and being able to constantly grow and learn makes the job challenging and exciting.
